Darlene Taylor is a classically trained singer from Western Michigan University. She studied Music/Voice Performance for 5 years and sang with the internationally regarded and award-winning vocal jazz ensemble Gold Company for 3 years.

While singing with Gold Company, she was fortunate to share the stage with Manhattan Transfer, New York Voices, Bobby McFerrin, and Mark Murphy. She went on to sing and dance at various theme parks including Busch Gardens Williamsburg where she met her now husband. Darlene continues to sing today.

She recently placed in the finals for a local talent competition, "Apple Blossom's Got Talent" and she regularly sings and plays piano for her church congregation. She is an Achology Certified Life Coach and uses her musical skills and coaching gifts in her private teaching studio to help singers/actors/speakers become the best they can be.

Seminar topic: Tune Up your Life
